

STUDY TRIPS

During our study trips we visit the capital of Saxony Dresden and the old trade city Leipzig. We go on sightseeing tours and learn more about both the history of Saxony and Germany.

Please register for the study trips together with your course registration.

ZWICKAU

Zwickau is the fourth largest city in Saxony. It has become famous for automotive engineering but also as a city of music and culture. From the August-Horch-Museum, to the birthplace of the great composer Robert Schumann, to the oldest public library in Saxony, Zwickau has a rich history.

For further information:

www.zwickau.de

The University of Applied Sciences in Zwickau has a long-standing tradition with locations in Zwickau, Reichenbach, Schneeberg and Markneukirchen. Currently around 5,000 students study at nine faculties in the fields of technology, business, sciences and languages.

GERMAN INTENSIVE COURSE

03 SEP 2018 – 18 SEP 2018

Registration Deadline: **30.06.2018**

Prof. Dr. Busch-Lauer

Ines.Busch.Lauer@fh-zwickau.de

LANGUAGE – STUDY – REGIONAL STUDIES

Our intensive course will provide you with everything you need for your studies at the UAS in Zwickau.

The language level of your course (Beginner – Intermediate – Advanced) will be matched according to your knowledge, following a placement test. The course focuses on communicative exercises to improve your fluency in general and study situations and expands your subject-specific vocabulary. You will also experience the extensive support of our student tutors.

Alongside this, the course programme will be complemented by project work and study trips.

COURSE FEES		
Course	EUR 200	
Study trip - Dresden	total fee	EUR 25
Study trip - Leipzig	total fee	EUR 25

GERMAN COURSE – PROGRAMME

CONTENTS

The course comprises of 120 teaching hours and self-instructed study. At the end of the course there will be a final test. You will receive a certificate of attendance or a certificate and 6 CPs.

PROJECT WORK

During the course we will work in projects that focus on a specific topic (cf. examples below). Each group will prepare a presentation from its research work on the final project day:

- (1) Project group Life in Germany
- (2) Project group Language & Writing
- (3) Project group Places of Remembrance
- (4) Project group Music & Songs in Germany
- (5) Project group Inventors & Inventions
- (6) Project group Saxony & the World

WORKSHOPS

The course programme is complemented by workshops in which you apply the German language through work and play, while dancing, singing and enjoying activities. The following workshops will be provided: Film/Video, Theatre as well as Dance.

You can also take advantage of a TANDEM-learning duo to improve your language skills. Moreover, we offer extensive German language courses during the term and preparatory training for TestDaF.
