Semester Schedule Winter Semester 2026 – 2027

A map of the campus can be found here: https://mobile.whz.de/map/osm2.php

and detailed plans here: Link

Some elective courses are limited in the number of students; this is why you should indicate your preferred elective courses in this survey. For this semester, first-year students should choose at least 2 courses (requirement for this semester):

One additional elective course is not yet included in the schedule and will be added later: Survey

WIW30610-Ü-1 – Forschungs- und Projektarbeit I(limited to 20 students)
This course is taught by Prof. Dr. Dirk Förster-Trallo. Please note that the course is offered **only in German**.

Special lectures and events:

- **Guest Lecture: Bibizhamal Amangeldi**
  "From Soviet Centralization to Local Decisions: What Decentralization Means for Business in Kazakhstan"
  2 November 2026 | 13:30–15:00
  Campus Scheffelstraße, Haus 6, room S6213 / Online via MS Teams
