Tender offer of the **GEORGIUS-AGRICOLA-Accomplishment Scholarship for international students 2024**

GEORGIUS-AGRICOLA-Scholarship

In collaboration with the Freiberg Student Union, the International Office of the University of Applied Sciences Zwickau is offering AGRICOLA-Accomplishment-Scholarships for international doctoral candidates and students. The scholarships are valid from October 1st. until December 31st, 2024. The amount of the money is €300 per month.

International students and graduates who have achieved special achievements in their degree program can apply. Additional points are awarded for social and extracurricular engagement. Students must be enrolled at least in 2nd semester at the WHZ and belong to the master's program Internet of Things and Smart Systems, Road Traffic Engineering or Advanced Green Engineering and Sustainable Management.

Students who are already receiving scholarships cannot be considered.

An application includes:

- A completed application form
- Letter of motivation
- A tabular CV
- Proof of completed modules (record of grades)
- Proof of German language skills (at least A1)
- Residence permit (Copy of the passport)
- If applicable Proof of social/extracurricular involvement

Application deadline: **October 15th, 2024**

The date of receipt of the documents in the International Office applies.

The scholarship holders are nominated by a selection committee. After successful nomination, the documents must be resubmitted to the Student Union Freiberg.

Please send your application to:
