25-Year Anniversary of the WHZ
Westfälische Hochschule Zwickau
University of Applied Sciences

What is it?

The WHZ is holding its first ever International Week, from 12th-16th June 2017, with a range of activities, exhibitions, workshops, and networking events.

Designed to promote international exchange and projects with foreign partners, this event will allow you to meet both students, teachers, and staff from our university, as well as delegates from other partner universities.

You will also have the opportunity to display your university at the international exhibition on our campus and develop links and partnerships during meetings and workshops.

Furthermore you will be able to visit the various departments and faculties of the WHZ, including our state-of-the-art laboratories, and gain an insight into our methods for effective German language teaching.

During the week, the WHZ will also be celebrating its 25-Year Anniversary, where we will be hosting a number of special events which you can take part in.

Last but not least, you will be able to discover the city of Zwickau with its rich cultural history.

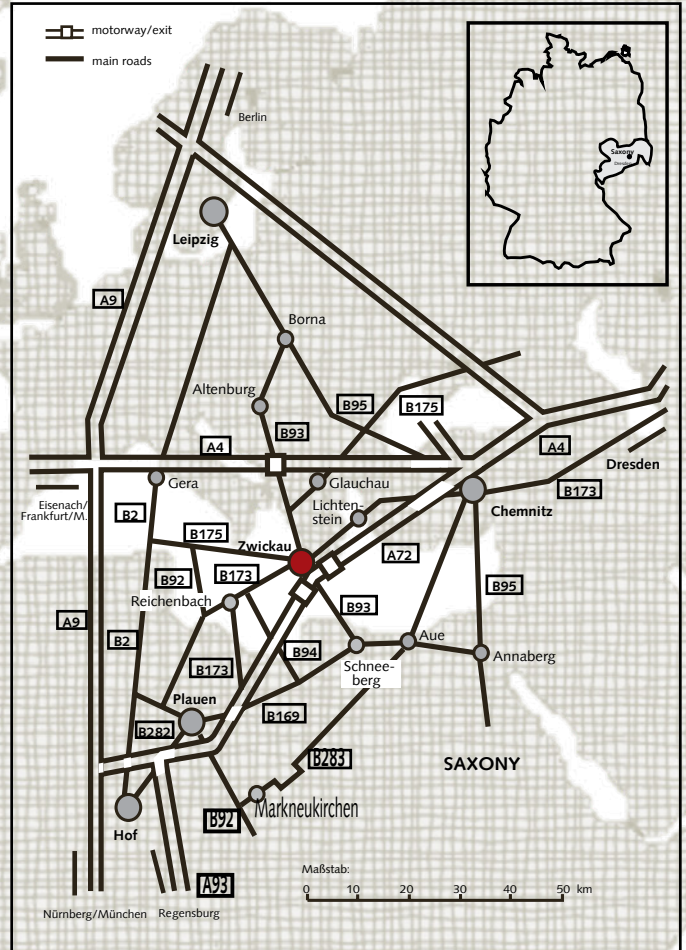

So, what are you waiting for? Register online now!

Where is it?

The International Week takes place on our two Zwickau campuses:

- Dr.-Friedrichs-Ring 2A | 08056 Zwickau
- Scheffelstraße 39 | 08056 Zwickau
