#### Rückmeldung ins Sommersemester 2026

**Re-registration for the summer semester 2026**

**Re-registration period: 1.1.-15.2.2026**

Note the change of the semester fee. For the summer semester 2026 the semester fee is reduced. You can

find the correct amount in your student services Portal.

**Note:**

Due to a system change at the Saxony State Treasury, paid contributions and fees are currently being transferred into our systems with a delay. The processing of payments is expected to be completed only after January 19, 2026. Therefore, the status of re-registration in the system is expected to be reliably visible from January 20, 2026 onwards.

**Important:**

If the payment has already been made, there is usually no action required. Please simply check again starting from January 20, 2026. Thank you for your understanding; we are dependent on external partners for this process.
